

Welcome to Wallace Hall Virtual P1

Your one stop shop to get practising for school!

This week we are thinking about ways to practise Literacy skills in preparation for P1

Every child is at a different place in their development. Shown below are some ways to build strength in preparation for Literacy based tasks.

Your child will experience lots of ways to engage with Literacy at school, until then here are activities for Pre Schoolers to take part in when thinking about **Literacy**

<https://www.instagram.com/p/CADL4xRFYqz/> <https://www.pinterest.co.uk/pin/361836151302989834/>

-If your child is keen to explore literacy let them do so on their own terms.

-Don't point out "mistakes" just reply using the correct terms

-Refer to letters by their sounds not their names.

-Write using lower case letters, try to avoid capital letters (except where they are needed!)

Transition week Three:

At School: I would visit my class room for a Play based session with my Teacher.

My teacher would read a story to me and my friends.

My teacher might would play with me.

At home instead:

Play schools at home and show your family all the things you can read and write.

Read stories online and in books with your family.

Week three: Literacy

My jobs...

DO...writing	PLAY... Listening and talking	SHARE... Reading	LEARN... Name work	PRACTISE... Sounds
<p>-Make playdough to mould letters out of. https://www.bbcgoodfood.com/howto/guide/playdough-recipe</p> <p>-Collect old food containers or trays that food comes on. Fill with sand or soil. Make slightly damp and trace letter shapes in the trays.</p> <p>-Alternatively if your mum or someone in the house has a kitchen tray just use that.</p> <p>-Sticks are good “pencils”</p>	<p>-Play shops or school</p> <p>-Write lists to go shopping</p> <p>-Write down instructions to work at school</p> <p>-Talk to your siblings or other family members to give them instructions on what to do in the shop/at school</p> <p>-Write prices for the food</p> <p>-Write instructions on the blackboard with chalk</p> <p>-Put ticks in jotters.</p> <p>-Send us your role play photos!</p>	<p>-Read a story every day with someone in your house if you can.</p> <p>-You can find stories to read yourself on EPIC https://www.getepic.com/</p> <p>-Read a story at bedtime to establish positive routines.</p> <p>-Make up stories together</p>	<p>-A name scavenger hunt. Find items around you indoors and out that begin with sounds in your name.</p> <p>-If you can collect them, then you can make a sound collage of your name.</p> <p>-If you can't collect them give your family clues for sounds in your name. A bit like I spy using your name.</p>	<p>-If you have a bundle of small figures, people, dinosaurs, cars, etc. write letters on a piece of paper in a grid and match the item to the letter sound.</p> <p>-Do this with food too.</p> <p>- Say a word, think of all the words that rhyme with this word.</p> <p>-Put the words into silly sentence. Have a laugh!</p>
